

**CDOT Outrider Sterling—Denver Airport Stop Launch**

We have exciting news for Bustang Outrider travelers! Outrider’s new stop at the Denver International Airport (DEN) launched today, Oct. 7, and connects riders directly to the airport via the Sterling-Denver route. The service fulfills a demand for statewide transit connections between northeastern Colorado and the airport.

The Sterling-Denver route currently operates weekdays only. Weekend service will be added based on public demand.
