Page 1 of 3 Revised 2/2024 I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing fireworks will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law.

FIREWORKS SALES PERMIT APPLICATION  FIRE DEPARTMENT CHECKLIST  FOR DEPARTMENT USE ONLY  Proper size, number and separation of exits.  Exits are illuminated. Fixtures have separate sources of power when occupant load exceeds 300.  Exit signs are installed. Fixtures have separate sources of power when occupant load exceeds 300.  Occupant load sign installed near the front entry/exit.  NO SMOKING OR OPEN FLAME signs are installed  Temporary building is structurally stable and anchored to the ground.  There is a minimum of 50 feet between the stand and any other structure.  Vegetation has been removed for a distance of thirty (30) feet around the structure.  Fire extinguishers are of the appropriate type, mounted correctly, in an acceptable location.  All electrical cords are sufficient in size and in good repair. No open electrical boxes or connections.  Aisles are a minimum of 44 inches in width.  No provisions for living inside the structure are present.  Comments: Sales of Fireworks cannot commence until the Sterling Fire Department and Logan County Planning and Zoning inspections have been approved.

## LOGAN COUNTY REGULATIONS FOR THE SALE OF FIREWORKS FROM TEMPORARY STRUCTURES

- 1. A Logan County sales tax license must be obtained from the Logan County Finance Department.
- 2. Fireworks may be sold from a temporary structure from June 15 through July 5.
- 3. The cost of the permit is \$100.00.
- 4. The application for a fireworks permit shall be submitted on or before June 8.
- 5. The temporary structure and the contents therein shall meet all applicable fire codes.
- 6. The sale of fireworks shall meet all applicable state statutes.
- 7. Structures shall not be erected prior to submission of application.
- 8. Upon completion of the structure, and prior to opening for business, an inspection of the temporary structure shall be made by the Fire Department and the Building Inspector.
- 9. All structures shall be complete and ready for business. Incomplete structures will not be inspected and will be subject to a \$75.00 re-inspection fee.
- 10. A minimum of  $\frac{1}{2}$  day notice is required for inspections.
- 11. Inspection arrangements can be made through the Planning & Zoning Dept. at 522-7879.
- 12. All required corrections shall be made prior to opening for business.
- 13. A permit will be issued upon final approval by the Fire Department and the Building Inspector.

  The permit shall be prominently displayed in the structure at all times.
- 14. The temporary structure is subject to reinspection by Logan County at any time.
- 15. Temporary structures shall be completely removed by July 7th. Failure to remove said structure within the allotted time could jeopardize the status of future permits.
