

Welcome to the Logan County, CO Historical Document Searchable Archive which contains key county land documents from the Clerk's Office. The digital images contained in this Archive site were organized and indexed in 2021 for back-up protection of these important county records and to provide improved searching tools and remote access. This initiative was spear-headed by the Logan County Clerk & Recorder and funded with a State Grant.

Historic Logan County Clerk & Recorder Archive Contents

At this time, the historic digital archive includes:

- **Grantor/Grantee Index Cards AKA Courtesy Cards:** Through March 15th,2002 when indexing stopped.
- **Reception Books:** March 1887 - July 1985
- **Monument Records:** Sept 26th,1968 until 2015 by Township and Range. Starting in 2015 monuments are in our on-line document site on our web page.
- **Road Records:** Book 2, 1887 - 1910; Book 3, 1910 - 1917

The recommended search technique of the **Courtesy Cards** will begin with the Word Search screen (Default Setting) for the NAME. With a Boolean search, results will be returned with EXACTLY what was requested. Refinements can then be done if needed to broaden or narrow the search based on the results. Additional Boolean Search tips are in a tutorial document under the "View Help" button. Once a Book/Page or Reception Number of the desired recorded document is located, a search can be done at the on-line document site on our web page.

The recommended search technique of the **Monument Records** will begin with the Browse Document screen (upper left button). With the first drop-down field (upper left), select the LANDS group. At this point, you can select the Section/Township/Range and all pages meeting that criteria will be returned.

The recommended search technique of the **Reception Index Books & Road Records** will begin with the Browse Document screen (upper left button). With the first drop-down field (upper left), select the Books group. Utilizing the other drop-down fields, you can select the Record Series & Book that you want to review.

The first pages returned based on your selection will be in a Thumbnail view. By left-clicking on the thumbnail image, a full-sized PDF will be displayed, with Print/Save options.

At this time, 1995 to present Grantor/Grantee and documents will be on our On-Line Document site on our web page. Prior to 1995 is spotty due to on-going conversion data clean up.
