

Your Opportunity to Participate in Logan County Fairgrounds Memorial Fence

Logan County welcomes the public to participate in the construction of a memorial wrought iron fence on the west side of the Fairgrounds along Pawnee Avenue north and south of the Gary DeSoto building.

Families or individuals can purchase an 8' section of fence for \$350. The memorial section will be marked with a 6" x 24" metal plaque with plaz cut lettering. Fence sections will be sold on a first-come first-served basis with the first sections sold being closest to the main entrance. This will be an on-going project. Prices will be re-evaluated from time to time and may be adjusted according to material costs. Fill out the form below and mail back to the address on the bottom of the form with your check made payable to Logan County. You may also call the Fairgrounds Office at (970) 522-0554 to pay by credit or debit card and email the form.
