

**RECORDER'S NOTES**  
**By Pamela Bacon**  
**Logan County Clerk and Recorder**

**MOTOR VEHICLE INFORMATION:**

Effective January 1, 2023; SB-22-1388 whenever the owner of a motor vehicle that is Class B, Class C, Class D or Class F transfers or assigns owner's title or interest (sells or buys a vehicle), the number plates issued to the owner for the vehicle expire and shall not be transferred.

- Class B is listed as GVW Truck or Tractor, Light Truck, Rec Truck, Farm Tractor or Truck, Special Use Truck and Semi-Trailer
- Class C is listed as a bus, Motorcycles, motor home, passenger vehicle and rentals)
- Class D is listed as utility trailer, camper trailer, multi-use trailer and travel coach trailer.
- Class F is listed as Special Mobile Machinery and self-propelled construction equipment

What this means is when you sell or give a vehicle away that is a class B, C, D or F vehicle (listed above). You may receive credit off the plate that you had on the old vehicle BUT you will not be able to transfer those plates to the newly purchased vehicle. This law requires you to obtain new plates. If you are attached to your plate number, you can apply for a personalized plate with that number on the personalized plate. Personalized plate fees will apply.

- **Exceptions:** Personalized plates, Americans with Disability Plates, Horseless Carriage plates, distinctive special license plates, group special license plates or special alumni license plates can be transferred.
