

RECORDER'S NOTES
By Pamela Bacon
Logan County Clerk and Recorder

MOTOR VEHICLE INFORMATION:

Help us help you! To save you time please have whichever one of the following applies to help us assist you with transactions:

- Plate number
- Vin Number of vehicles
- Renewal Card
- Title
- Title complete notice
- Proof of Colorado Insurance for the vehicle you are transacting on.

If you don't have any information; staff will do their best to search the statewide database by your name, but the system is a statewide system and will pull everyone in the State of Colorado that has similar names or vehicles you once owned or plated in Colorado. **You will also be required to show identification if you have nothing with you.**

Address search may also include vehicles that a prior person living at that same address had registered.

Make sure you know what name is on the vehicle; example: personal full name, first initial and last name, business names or Trust.

- If a vehicle is renewed in error, the Department of Revenue will NOT refund the state portion of that renewal. Make sure it is the one you still own and need!
- If a vehicle is missed in a search: it is ultimately the vehicle owner's responsibility to know when plates expire on their vehicle and to properly renew them before expiration.

Renewal postcards are a courtesy reminder card that is mailed out from the State Department of Revenue.

County Offices will be closed on Monday, February 17, 2025, for Presidents Day.
