

RECORDER'S NOTES
By Pamela Bacon
Logan County Clerk and Recorder

ELECTION INFORMATION:
KNOW THE FACTS FOR COLORADO!

Current physical residence and mailing address need to be correct for Voter Registration.

Colorado elections are mail ballot delivery elections. The ballot that is mailed to you is the Official Ballot for you at your physical address location.

Ballots are not forwardable, so it is very important that your address, both physical and mailing addresses, are correct.

Your physical address determines what ballot issues you are eligible to vote on.

Example: If the city has a question on the ballot and you live in that city then you are eligible to vote on that question and if you don't live in the city, you will not be eligible to vote on that question.

For Voter Registration, please contact our office at 522-1544 or go to www.govotecolorado.gov to update your information.

Some of the smaller town communities require a Post Office Box if you live inside the city limits of that town. Example: Atwood, Iliff, Merino, Peetz, and Crook. If we don't have the Post Office Box, then you will not receive your ballot to vote.

BallotTrax is a free service for Logan County Voters that allows you to track the status of your ballot online, as well as receive messages by text, phone or email when your ballot has been sent to you and received by our Elections Division. Logan County voters may sign up at votelogancounty.ballottrax.net
