

RECORDER'S NOTES
By Pamela Bacon
Logan County Clerk and Recorder

Thank you doesn't even come close to expressing my tremendous gratitude to an incredible Logan County Clerk/MV staff who put in a lot of extra time and hard work and our group of 30 election judges who worked diligently and tirelessly as always before, during and after the November 8, 2022, General Election to provide another safe and accurate election for Logan County voters.

Election Officials take their oaths and duties very seriously and often serve silently and thanklessly and this is my opportunity to thank them and I appreciate every one of you more than you know.

Shout out to thank Chief Kerr and the Sterling Policed Department for providing security assistance before and during the election to keep voters, election judges and staff safe and secure.
