

RECORDER'S NOTES
By Pamela Bacon
Logan County Clerk and Recorder

Thank you to all the Election Judges that worked before, during and after the November 5, 2024, General Election. Election judges (officials) are the real heroes of an election with willingness to dedicate time to making democracy work. Election judges (officials) are the gateway through which citizens pass to cast their votes and play a critical role in safeguarding very important information.

Your hard work and dedication made the election process go smoothly in Logan County and is appreciated more than you will ever know! The Logan County Clerk's Office could not do all that needs to get done without every election judge (official) dedicating the time necessary to make democracy happen.

Thank you to the Logan County Clerk and Recorder and Motor Vehicle office staff for all that you do not only during elections but every day for the hard work you do for the citizens of Logan County.

Congratulations to all Logan County voters who made their voice heard in this election. Kudos to all exercising your right to vote! Logan County voted their ballots in the following ways: Drop Box 7456, Mail 680, Counter Office Drop 1721, in person 536 for a total ballots cast of 80% of the active voters.

Logan County Offices will be closed the following days in November:

Thursday, November 28 and Friday, November 29 for the Thanksgiving Holiday to allow our employees to spend time with their families.
