

**Logan County Commissioners Work Session  
September 30, 2025**

Present: Mike Brownell, Jim Santomaso, Jim Yahn, Mike Burri, Rick Cullip, Marilee Johnson, Debbie Unrein, Callie Jones, and Jennifer Crow.

Chairman Brownell called the meeting to order at 9:04 a.m.

**APPROVAL OF MINUTES FROM PREVIOUS SESSION** - Commissioner Yahn moved to approve the minutes of the September 23, 2025 Work Session. Commissioner Santomaso seconded, and the motion carried 3-0.

**REVISIONS TO THE WORK SESSION AGENDA** – There were none.

**REVIEW OF BUSINESS MEETING AGENDA** – There were none.

Commissioner Brownell noted that Department Head budget meetings will begin at 10:00 a.m.

**BUILDINGS AND GROUNDS DEPARTMENT** – Rick Cullip reported that he and Commissioner Yahn visited about the bump out at Third and Main Streets. Additional concrete was torn out to make it look more uniform. It was decided to go with new concrete from the outside of the brick out to the curb, leaving the inside of the brick so that it has the same style as the planter that it had before.

From the sidewalk out, it will be new concrete. The concrete on the North Second Street bump out is stamped; however, this concrete will not be stamped. The brick and the exposed aggregate concrete around Clarence's Corner and the planter with the statue would have too much going on to have stamped concrete. The concrete will be regular colored concrete.

**VISIT TO MORGAN COUNTY CORONER'S OFFICE** – The Board agreed to visit the Morgan County Coroner's Office on October 9, leaving at 10 a.m.

There being no further business to come before the Board, the meeting adjourned at 9:10 a.m.
