SPECIAL USE PERMIT RENEWAL REQUIREMENTS

All Special Use Permits are subject to review and must remain in compliance with Logan County and the State of Colorado Regulations. All Permits must be reviewed and renewed every 99 years, unless otherwise stated on permit.

The application must be received by the Planning and Zoning Department at least **20 days** prior to the expiration of the Special Use Permit. **NOTE: The Applicant, or a Representative, MUST be present at the Commissioners Meeting. The applicant will be informed of when the Commissioners will hear their renewal application. If no one is present, the request will be postponed until the next meeting.**

1. Applicants must schedule a meeting with Logan County Planning and Zoning to ensure that all conditions established at the issuance of the original, or any modifications to subsequent renewals have been met.
2. \$100.00 Application Fee
3. The Applicant is responsible for "Making his or her Case". It is not the responsibility of the Planning and Zoning Department. Visual representations are helpful in the review process. Additional maps, photographs, and other visual aids should be provided when possible.

* Refer to Logan County Subdivision Regulations and Zoning Regulations for more details.
A Pre-Application conference with the Logan County Planner is requested.
